### **Overview**

### **Apps Supported**

e-BRIDGE Plus for OneDrive

e-BRIDGE Plus for USB Storage

This document covers e-BRIDGE embedded applications, that come preloaded with your copier.

These Apps are designed to allow scanning into most popular cloud storage applications.

OneDrive will be used for this document, all share a common interface and installation is identical.

### Adding shortcut to e-Bridge Plus App on Control Panel

1. Add the button to the Home screen, by clicking the "Cog" icon on the top right

2. Enter the Administrator Password "123456" and click "OK"

谷 PUBLIC HOME	¢ 🖪 Ø
Administrator	Password
	22
Simple	ling
Password	
4	3 -
	nter
Cancel	ОК

3. Click on "Button Contents"

4. Click on "+" button to add the button to the Home Screen

5. Scroll to the bottom of the list and choose "Register From Application List"

公 P	UBLIC HOME	?
7	Add Button	×
	Register From URL List >	1
<	Register From Recommendation	
	Register From Function List	
	Register From Home Screen	
	Register From Application List	

6. Select the App to add (for example "e-BRIDGE Plus for OneDrive")

7. Set the naming details if required and press "OK"

Icon >	
Name1 >	
for Name2 >	
Details Cancel OK	
	for Name2

8. Click "Confirm" on the bottom right of the screen

### Logging into the e-Bridge Plus App

1. On the Control Panel, press the e-BRIDGE Plus for OneDrive button and press "OK"

2. Multiple options are given to login; scan the "QR code", e-Mail or use a PIN (this is available after first login)

Login	ش	
Scan the 2D code and login within 5 minutes. This screen automatically switches to the operation screen.	Please input your mail address, if you cannot scan 2D code. Or if you have PIN, please enter the PIN.	1 2
If you don't login within the time, the operation will be cancelled.	(PIN available time is one hour) Cancel OK	$\Rightarrow$

3. This will now log into the OneDrive Account
