TURNING OFF SCAN CONFIRMATIONS

A4 Desktop Series I and II

Purpose

By default, a confirmation page is printed out whenever a scan job is completed on an A4 Desktop device. This guide provides steps on how to configure this feature so that a confirmation page is printed out only when a scan job has failed.

Models Supported

A4 Desktop Series I
Colour
e-STUDIO 305CS
Monochrome
e-STUDIO 385S
A4 Desktop Series II

Transmission Logs for Scan Shortcuts

With A4 Desktop Series II devices, a separate Transmission Log setting also exists for Scan Shortcuts. Follow the steps below to make changes to this setting.

- 1. From a web browser, input your device's TCP/IP address, and press "Enter"
- 2. On the left-hand side menu, select "Shortcuts"

3. Double-click on the Shortcut that you want to edit
