BRING YOUR DOCUMENTS TO LIFE

Create water-resistant and
weatherproof professional
prints without the need to
laminate.

 **TOGETHER
INFORMATION**

VERSATILE FLEXIBLE DURABLE

Toshiba AquaAce is a laminate free paper. It's durability allows it to be used in all high traffic areas like offices, work sites and cafes.

AquaAce comes in a vast array of versatile formats including; A4, A4 magnetic, A3 brochure, A4 stickers and pre-cut business cards.

Bring your marketing in-house. Design your own signage with AquaAce banners and create stunning photographic-like colour prints all on your new Toshiba e-STUDIO Multifunction printer (MFP).

With AquaAce the possibilities are endless.

AQUAACE WORKS FOR YOU

Education: Outdoor signage is made easier with Toshiba AquaAce paper. Large banners are now easy to create and completely safe from extremely low temperatures, bright sunshine, wind or rain. Stains and smudges can easily be wiped away making Toshiba AquaAce paper convenient and reusable.

Bend it, stretch it, attempt to tear it and the quality remains the same!

Logistics & Manufacturing: Manufacturing and logistics companies alike will benefit from printing durable and reliable manuals, maps, price tags, and instruction sheets. ID badges and other labels are made easier without the need to take the extra step to laminate them.

Additionally, with AquaAce's high opacity and brightness your ID badges prints crystal clear with crisp, resonating colours that are highly durable.

Retail & Hospitality: Impervious to grease and chemicals, AquaAce can be used to print an array of items for both retail and hospitality businesses. Print menu's, banners, reusable table numbers all in-house on your new Toshiba e-STUDIO MFP.

Healthcare: Healthcare professionals rely heavily on safety and durability. AquaAce Paper can be folded easily and used as table tent signs, name cards, and even large scale 'Exit' signs.

Make professional looking brochures, pamphlets, medical prescription labels, ID cards, custom patient forms, and more all while using 100% safe non-toxic AquaAce paper.

"We use AquaAce for menus, wine lists, advertising flyers and photos. It provides quality and a superb finish"

- Lake Karrinyup Country Club

EXAMPLES & TESTIMONIALS

Recipe Cards

> Matters of Taste Cooking School, Perth

In house printing for recipe cards that can be used in heavy mess areas regularly.

We "are extremely happy with the entire process it saved us half a days work"

- Tracey Cotterell, Managing Director.

Work & Health Safety Displays

> Mike Greer Homes, New Zealand

In New Zealand's large private and commercial building industry, there is a need for a reliable product that is cost and time effective and can be used in our busy industry.

Onsite printing of house plans and work health safety signage improves time and cost efficiency in harsh environments.

Menus & Outdoor Advertising

> Lake Karrinyup Country Club, Perth

AquaAce provides the versatility needed for daily use of signage, notices and outdoor advertising.

"Superb quality and a finish that is second to none"

- Lake Karrinyup Country Club.

Event Marketing

> Bribie Island RSL Club, Queensland

In house advertising for menus, entertainment and special events posters.

"We really like the marketing advantage it gives the RSL over ordinary laminating"

- Cindy Thorton, Administrator.
