e-STUDIO408s

Product brochure

- A4 monochrome multifunction system with full functionality to print, scan, copy and fax.
- Impeccable document output quality with an impressive print speed of up to 40 pages per minute.
- Eco-friendly features and optimised energy consumption to save resources.

ALL-IN-ONE

If you are looking for a powerful multifunction system packed with features, search no more. The e-STUDIO408s is a true all-rounder which will boost your efficiency. It comes with a large touch screen so you can easily access all functions and apps, which are installed on the system.

A print speed of 40 pages per minute and a maximum paper capacity of 900 sheets, ensures the e-STUDIO408s covers the needs of small- and medium-sized companies and workgroups. Flexible connectivity and mobile printing support means it also meets the requirements of modern business workflows. And with security issues being more and more prevalent in today's world, we have made sure to implement various security features to prevent unauthorised access to the system and allow you to protect your documents.

To ensure an optimised power consumption and reduce the impact your business has on the environment, the e-STUDIO408s offers various print and energy-save settings. These will help you save valuable resources and money.
