Toshiba is awarded Cerner Certification for the B-FV4T & B-FV4D label printer

Toshiba is delighted to announce that the B-FV4T and B-FV4D Desktop printer has been certified by healthcare-systems giant Cerner Corporation.

The printer was rigorously tested by Cerner's Technology Certification Lab (TCL), enabling the B-FV series to connect into any healthcare facility using Cerner systems.

About Cerner Corporation

Cerner is a worldwide leading supplier of Healthcare information technology solutions that optimise clinical and financial outcomes.
