

Cerner Validation Printer Program Announcement

Date: 5/3/2019

Cerner's Technology Validation Lab (TVL) has evaluated the Toshiba e-STUDIO 408P, e-STUDIO 478P, e-STUDIO 528P, e-STUDIO 408S, e-STUDIO 448S, e-STUDIO 478S, e-STUDIO 338CS, e-STUDIO 388CS, e-STUDIO 388CP, e-STUDIO 389CS, e-STUDIO 479CS models. We are pleased to inform you that these devices and associated models listed below have been classified by Cerner as "Validated" devices for use by Cerner clients under the following guidelines.

Additional evaluation notes

None

Obtaining End User Support

Support of these devices will be available to clients through Cerner SolutionWorks at 866-221-8877 beginning **5/6/2019**. Calls for support should be routed to Cerner SolutionWorks.

These printers have been added to Cerner's "Validated Peripheral List" which is accessible to all Cerner clients and associates through our uCern intranet. Please feel free to share copies of this communications with prospective clients.

Thank you for participating in the Cerner Validation Program. We look forward to working together to ensure that our mutual clients continue to receive access to the best technology and support available.

Sincerely,

A handwritten signature in black ink that reads "Mike Welch". The signature is written in a cursive, flowing style.
