

TOSHIBA

Kōdo® Classroom

Better management of printing and storage of hard copy schoolwork such as exams, assignments, exercises, permission notes and other records.

Simplify the process of storing classwork into student folders

Never again worry about missing or intermingled pages in exams

Solve the issue of students forgetting their names on schoolwork

Simple and intuitive interface

Share the load for marking exams with other teachers

Integrated with Google Classroom™ and Microsoft Teams® for Education

TOGETHER
INFORMATION

Kōdo® Classroom

No more issues with missing or illegible handwriting

Print exams with personalised information student, class, teacher.

No more concerns about mixed exam papers

Each page is uniquely encoded so we validate and sort every exam back into each students set so you can rest at ease should those unfortunate accidents occur.

Share exam marking amongst multiple teachers and by section

More efficient, saves time and ensures exams are output correctly by student.

Easy process

One touch upload of marked exams to your cloud system.
